2026 ocean voyages

163 voyages
152 destinations
33 countries

Look closer at the world and you'll see every place reveals more than you expected: a clandestine past locked up in arches of brick and stone; a traditional recipe passed down from generation to generation; a burst of bright yellow and orange fall colours in the middle of an emerald forest. Nobody gets you closer to these epic secrets than Silversea, as we take you behind the scenes of every destination. Our S.A.L.T. culinary experiences – now available on all our new voyages – invite you to deep dive into the recipes, flavours

and stories of each region we visit, from the Mediterranean to Northern Europe, from Alaska to Canada & New England.

And with a late-season Mediterranean Grand Voyage you'll get a unique new look at the marvels and beauty of the Old World. From March to December 2026, these voyages offer more choice, more places, and more unique experiences than any other. It's time to discover the world, not just cross it.
